

**Length:** 62 credits

**Purpose:** The curriculum is designed for the student who plans to complete a baccalaureate degree program in education or teacher education preparation. This is the appropriate degree for students who intend to pursue a transfer pathway in education to Longwood University. The transfer institution's catalog and transfer guide are the best sources of information for planning a course of study. Final responsibility for transferability of courses rests with the student and the registrar of that institution. Contact the division dean or an advisor for additional information.
