
Length: 60 credits

Purpose: The curriculum is designed for the student who plans to complete a baccalaureate degree program. This is the appropriate degree for students who intend to pursue a transfer pathway in social work or human services. A bachelor's degree in social work will prepare students for positions such as a social worker, case manager, child welfare specialist, and substance abuse counselor, among others. The transfer institution's catalog and transfer guide are the best sources of information for planning a course of study. Final responsibility for transferability of courses rests with the student and the registrar of that institution. Contact the division dean or an advisor for additional information.

General Education Requirements

- BIO 101 - General Biology I Credits: 4
- BIO 102 - General Biology II Credits: 4
- CST 110 - Introduction to Communication Credits: 3
- ENG 111 - College Composition I Credits: 3
- ENG 112 - College Composition II Credits: 3
- *MTH 155 – Statistical Reasoning Credits: 3
- PSY 200 – Principles of Psychology Credits: 3
